“ *I'm so sorry to hear about Steve's passing. I worked with Steve several years ago for a few months on EC334 for POGO. The fact that I remember him after all this time says a lot about the person he was. He wasn't afraid to share his belief in Christ and we had sunrise services on the heliport offshore one Easter morning. I believe heaven got a little sweeter and can only imagine the loss the Marx family is experiencing. May God comfort you at this time.*

“ It is with tear filled eyes and sorrowful heart that I express my sympathies to the Marx family and for my dear Karen, I know that Stephen is with our LORD and savior, Jesus Christ. He was very special to me as he was to many many others. I loved him like a son, and Karen as well, I will miss him greatly, but know we will be together again in the promise land one day. It is with great admiration I say good bye, until we meet again...pron
