“ Mrs Burger, Andy, & Susan, I am so sorry to here of Terry's death. It made me think of all the times Terry took me hunting. He was the first to teach me about the outdoors. I remember spending the night at your house to get up early and go hunting. Terry was such an inspiration to me when I was at a very impressional time in my life. I will always be grateful for Terry. I Becky and I are praying for all of you.

“ Dear Mrs. Burger, Susan and Andy and the rest of Terry's family, I was so sorry to hear of Terry's death and pray that you all of you will feel the love of God wrap his arms around you and hold you. I remember the young Terry and his friends standing in the family room at your house on Norwood Drive teasing his little sister and her friends (who had crushes on them. He looked so handsome in his football jacket. I hope you remember all of the good time.

“ So sorry for your loss. My prayers are with you. I remember Terry as a much younger guy at Jennings High who loved to dance and have fun with his many friends. I picture him dancing with a happy smile on his face.
