“ I am trying to find Terry Scoper's family. I would like to speak to Dianne, if possible. They left something with me in Texas and might want to reconnect. Thank you, Sue Day

“ For my dear cousin may you rest peacefully in a much better place than you have left behind. You will surely be missed by your children and grandchildren and the rest of the family. We do all have great memories and will cherish them always. For Diane, Barrett & Carissa and Erin, Mark and the children may God be with you all in this hour of sorrow but may you also rejoice in knowing that Terry is resting peacefully now. We pray you have strength to get you through this difficult time. With love always Vicki Pratt Yocum

“ *Loving you in death as I did in life Terry and praying you are in better hands now. You were moma's "gulu" as she nicknamed you and you meant a lot to her. I'm sorry things weren't better for you. I know you leave a legacy of two wonderful children and grandchildren, only too sad that you had to leave them so soon. May you rest in peace. Love, Aunt Nancy*
