“ *My brother, Tommy, was my fishing buddy when we were much younger. I've been thinking about that time together. He taught me to fish, to bait a hook. So many good memories of our time together. I hooked a small alligator once and I got it out of the water. I told him to get the hook out of its mouth and he said, NO, and cut the fishing line. He taught me that choupique was too boney to eat, but catfish and perch were not. I'll miss you Tommy, but one day I'll see you again.*
