“ We met Tommy 15 years ago but became good friends with him about a year and a half ago after he watched us paint our house. He then asked if we would consider painting a few of his rent houses. We said yes reluctantly as we were pretty exhausted from painting our own. But we did and every day he would come sit and watch us and visit, the days he didn't come were kind of boring. He got a kick out of listening to hubby and I picking at each other, he would chuckle and tell hubby he better be careful or I was going to get mad. He constantly told us what a unique couple we were that we could work so well together. But more than that Tommy became a friend, someone we always looked forward to seeing and visiting with, he loved to come and sit on our porch swing and take on the problems of the world. I don't know how many times I looked out the window and saw his truck sitting on the side of the house and thinking he was either at the courthouse, his rent house or lawyers office, I'd find him sitting out on the porch swing watching the activity in the neighborhood. That always gave me a chuckle. Or on my birthday him showing up with a 3" paint brush for me because he knew that was the size of brush I liked to use.

To the family you have our deepest condolences. We will miss finding Tommy outside swinging on our porch swing. RIP Tommy, we will miss our visits.

“ I enjoyed visiting with Mr. Levy on Saturday mornings at Hobo's, especially during Jennings High Football season as we would talk about how the Dogs won, or why the lost. Thanks for the good conversations, Mr. Levy. Rest in Peace.

“ Mr. Tommy was a great friend to me. He was one my customers at Sears. When he came in to pay his bill, he only wanted to deal with me. I loved every time he came into the store. Even when he couldn't come in, I always made a effort to go to the car and give him a big hug. I have been knowing him for 13 years and he was the most loving and caring person I ever met. I will miss him dearly.

“ Tommy and I played baseball for SLI(UL) many years ago. Tommy was always a very polite fellow and we had some good Bourre games while at school. The thing I remember most about Tommy was he could really run fast. I am so sorry to learn of his passing and I send my condolences to his family.

“ 27 years ago I needed a place to live. I could not find one I could afford. I went to Tommy and asked him to purchase this little house on Florence St. in Jennings. He did exactly that and rented me the house for a very reasonable price. He was a great land lord to me. I even got 3 months behind on my rent and he let it slide. As soon as I received my income tax check, I paid him every cent I owed him. I will never forget the look on his face when I paid him. He was such a good man to me. I will never forget what he did for me.... RIP

“ My condolences to the family. I was Mr Tommy caregiver for awhile after surgery a couple years back. He was a sweet man that always talked about his family & kids. We would ride around town & stop by Stines Lumber to chat with his friends all the time. I recently visited him at his home & once in rehab. RIP Mr Tommy, I'll always remember our long talks.
