“ *Lisa, you don't know me but Tim's brother Ted and his wife Lisa are very dear friends of mine. I worked for Mr. Ted at Citgo for almost 11 years. He became a brother to me and Lisa kind of adopted me and my girls as part of their family after my husband was killed and that kind of love and generosity runs deep in their family. I remember hearing stories about Tim or Tingy as Ted would say! I am so sorry for your loss. Even though he was sick I know all of this came so quickly for you and your family and I know all too well how hard that is! It does get better but it is so hard. Please know God is there and you will make it through this. Life is hard but God is Good. You have an amazing support system and make sure you use it! The Duplechain's are wonderful people! Sincerely, Mary Jo Bayles*

“ Lisa, my heart is heavy for you and your family. Tim was a great man / boss to my husband. He will be greatly missed. There was never a day I seen him not smile when I would go by Terral River Service to bring something to my husband. I am praying for you and your family in this time of need. May God continue to send comfort to you and your family.
