“ *Totsie was very sweet girl with a big heart. I knew her since elementary. We played sports together all the way through high school. She seriously did always have a smile on her face. Robert was always smiling as well. They were like peas in a pod. I am so sorry for your loss of these two special people. May God comfort you all through this and give you peace and rest. May they rest in peace. They will never be forgotten. Our prayers are with your family.*
