“ *Verda was a real sweetheart to a lot of people in Basile. She was so helpful to mom and dad and after dad died in 1989 Verda really helped mom a lot for several years. She was a friend to my Uncle Oras and his wife and would take their blood pressure. She would take mom to visit mom's sister in Elton. Yes, she was an angel to my parents and my relatives. If Verda isn't in Heaven no one is! God bless her remaining family.*

Miss Verda was an angel she helped anyone and everyone in Basile that needed her. She was a blessing to me and my dad who died 1997 . I have thought about her so many times and she has been in my prayers. I wish I had known Before now. She will always be in my heart.

“ *I will never forget this lady . She was my neighbor growing up. Wasn't a day that went by she was not doing something in her yard. She taught me and mom a lot about plants and gardening. Mom always said she going to out live me and that she did . She was a wonderful lady.*

“ Ms "Pon" as my kids would call her was a wonderful neighbor...she was always working in her yard, cutting her grass, and she could name every kind of plant that was in her yard. She was a very giving person, she helped Nolan's family so much when Mr Roman was sick, and she loved visiting with Nolan's mom and would drop by to visit Nolan often during the day...to talk about the garden, of course . She always shared stories from her Nursing days with me, always spoke highly of all of her children, grandchildren and couldn't wait to tell me when a new great grandchild was born. She was a dear friend, I have wonderful memories. Prayers for family. May She Rest in Peace.

“ She was one of Basile's outstanding citizens. She always sat in the first pew at church and said her prayers with gusto. She kept many of our new priests in line. She was also in attendance at many town council meetings and was never afraid to voice her opinions. I remember seeing her cutting her own grass right up to the time that she was placed in assisted living. Fond memories of a very strong spiritual woman!

Sincerely,
Darrel LeJeune
