*You will be missed... I will always have a special place for you in my heart..*

**Lisa dawn duhon hebert** - February 21, 2015 at 08:42 PM

“ *Sue will be very missed by me at the Dollar General. I always looked forward to the times she came shop with me. She will be greatly missed. She was one of the high lights of my day. Always had a way of making me smile and laugh. Sue rest in peace- till I see you again. I know GOD will be blessed to have you back home with him making him smile and laugh each day.*
