“ *Hey, Tori. It's Jade. We hadn't spoken in so many years and I'm sorry to say that I only just now found out that you're gone. It honestly hit me like a punch to the gut. I can't believe you're not in the world anymore. I hate this for you. I wish there could have been anything I could have done. I wish I'd known. You deserved much better. I hope you're at least at peace.*
