“ *I pray that God give peace to all who held the love of Aunt Viola in their hearts. She will be so missed beyond what words can say. When I lost my Moma, Aunt Viola was my comforter. For a month almost everyday when I called her crying barely able to talk at times she always knew what to say to me to calm me down and this was at any and all times of the day. Listening to her gave me such peace. I will miss our early morning visits together drinking coffee and listening to her stories when I came to Lake Charles. I will also miss our telephone calls to each other. I still have her voice on my answering machine, which I will surely save to listen too. We will truly miss you Aunt Viola. I can't wait to see you up in heaven one day!!! Debra*
