“ *To all Aunt Vi's children, Grandchildren and great grandchildren I want to say how sorry I am for the loss of your mother and grandmother. She was a wonderful lady and always had people laughing. I think the hardest thing to loose is a mother and I pray that God's peace be with each and everyone of you as you lay this precious lady in her final resting place. My love and hugs go out to each one of you. Always remember the good times and hold on to those precious memories.*
