“ *I am so very sorry to hear about Bear's passing.. I've known him so long that he was like a younger brother to me. He was a gentle and caring soul and would give without asking for anything in return, a true friend! He had a real love for his family and anyone could see the love that his family had for him. His laugh was so unique and genuine... I would love to listen to his laugh again. I know words can't bring him back but I hope they bring some comfort to Ronnie, Sybil, Nathan, Wade's children and granddaughter... and the entire family as well as all of the many friends that remain behind. Until we meet again...*
