“ To Carolyn, I got back in town last night from a funeral and got the message about Uncle Robicheaux & also about Gayle. This is almost unbelievable and I am so sorry for this huge loss of your sister and you dad. To Bruno, I know this was your favorite uncle and I am sure you will miss him dearly.

“ I want to personally honor my father in laws memory, for his interest in me, his approval of me & the love he shared openly with me, when I married his oldest daughter. He went out of his way, while very ill, to get to know me & speak to me whenever possible. He was a man of integrity, with a accommodating personality. Till we meet again, thanks Dad for your compassion and the kindness you showed me, I will never forget you!
