“ *Dear Dunn family,
I just found out about our sweet PaPa Dunn passing away and I was so saddened. I was thinking about him recently and wondered how he was doing. I'll never forget what an important part your wonderful parents had in mother's life,(Emily Hanks) and how she depended on them for so much of her enjoyment in life, especially the way they spent so many of their evenings at her house playing their favorite game, "Wahoo!" You are all in my prayers! Alice*

“ It sadden me to hear of the passing of such a wonderful man. I regret that I could not attend any of Mr. Dunns services because of medical reasons. I wanted you all to know that I have kept you all in my thoughts and prayers. Knowing this man all my life he always had a kind word for everyone and when he smiled his whole face lit up. How lucky of all of you to have had such a loving dad and I know it will be difficult for you all in the coming months and years but I will continue in my thoughts and prayers
