“ *Norma - I cannot make Warren's funeral due to mouth surgery, but my thoughts are with you and your family. I thought there was no better gentleman than Warren. He was kind, thoughtful and a gentle person. Manny Hoffpauir was my protector while I dated a couple of guys from Gueydan. He watched over me and even took me home from a date I did not care for. I loved both Manny and Warren. You must be very proud of your family. I am so proud of you, Norma. I wish I could go down, but my prayers are with you and your family. Love you. gaynell*

“ We share the sadness for Billy's troubles and his passing. It seems we are all getting to a point where our faith is tested but we can get through it if we remember that faith, and the example of life's greater purpose. Enez and all the Marx family send our condolences and wish we could be there.
