“ *The earliest memory I have of Uncle Willis was before him and Aunt Bobbie getting married. We were at poor papops house in the country in Morse I was maybe 3 or 4 years old He would lift me up so I could try and touch the ceiling. I also remember being at their wedding and my daddy walking yalls mama down the isle and presenting her to Uncle Willis. Another favorite thing is the summers I spent with them. But my most favorite is watching him and Aunt Bobbie dance together they were awesome together. I miss them both so much love to all you kids and grandkids y'all are in my heart and prayers always.
