“ *For the family:*

*I am so very sorry for your loss, but we all know she is at peace, and not suffering any longer. All of us who has watched, we all know she has been through so much in a little amount of time.*

*I would like to share a few words with everyone.*

*I have known Mrs. Yvonne for fourteen years now. I am very grateful to have known her. Everyone who knew her, knows the love she had for everyone she knew. She was concerned for everyone, even the last few weeks of her life.*

*I will miss walking in the yard and seeing her looking through the window, and meeting us at the door with hugs and kisses. And for sure I will miss her potatoes and sausage.....*

*I love you and miss you dearly, Mrs. Yvonne.  
May you rest in peace.*
